**About BIOX Corporation**

BIOX is a renewable energy company that, owns and operates 287.5 million litres of nameplate biodiesel production capacity at plants located in Houston, Texas and two facilities in southern Ontario. BIOX has an innovative, proprietary and patented production process that is capable of producing the highest quality, renewable, clean burning and biodegradable biodiesel fuel utilizing a variety of feedstocks - from pure seed oils to animal fats to recovered vegetable oils with no change to the production process. BIOX's high quality biodiesel fuel meets North American (ASTM D-6751) quality standards.
